

The City of Benicia and Benicians Adopting Benicia (BAB) are proud to partner in honoring our local Military Heroes through the Military Banner Program.

HONOR OUR HEROES

★ MILITARY BANNER PROGRAM ★

CELEBRATE. HONOR. REMEMBER.

Do you know someone who was born in Benicia or currently lives in Benicia who is serving, or has honorably served, in the United States Military?

Together, the City of Benicia and Benicians Adopting Benicia (BAB) recognize and honor the men and women who have served our country. Banners are proudly displayed throughout downtown Benicia as a lasting tribute to their service and sacrifice.

HERE'S HOW IT WORKS:

BAB needs the Military person who will be on the banner to fill out and **sign the release form** and return it to Kathy Adams (BAB) with their Military picture they want on their banner.

Banner orders are placed once BAB has **two people** for a banner.

The time it takes to get the banner up will depend on the MFG and the City of Benicia's availability to install the banner.

Normally it is about one month.

Let's honor those who have bravely served
